

MAYOR & COUNCIL

UTILITIES BOARD MEETING MINUTES

December 30, 2019

***Meeting minutes are transcribed in a summarized format.

Tape recording of actual discussion is available at Town Office***

Mayor Jacobs called the meeting to order at 6:02 p.m. In attendance were Vice Mayor Andrews, Councilmember Jones, Councilmember Edwards and Town Manager Robert Resele. Councilmember Collyer was absent.

Agenda

Vice Mayor Andrews motioned to approve the agenda for December 30, 2019. Councilmember Jones seconded the motion. All in favor. Motion carried.

Minutes

Vice Mayor Andrews motioned to approve the Utilities Board meeting minutes for December 2, 2019. Councilmember Jones seconded the motion. All in favor. Motion carried.

Sewer Allocation Report

Town Manager Robert Resele stated that there were no changes to the report from the previous month and that there were no new hook ups.

Sewer Credit Request

Discussion about a sewer credit for property owner on Kent Street.

Vice Mayor Andrews made a motion to give conditional approval for relief of sewer charges for the Kent Street property. Councilmember Jones seconded the motion. Councilmember Edwards voted no. Motion carried.

Request to terminate the water connection at 5557 Parkview Lane to the garage/apartment building that will be torn down. They have 2 water meters, one to the residence and one to the garage/apartment building.

Vice Mayor Andrews made a motion to terminate the water connection at 5557 Parkview Lane to that garage/apartment building. Seconded by Councilmember Jones. All in favor. Motion carried.

Water and Sewer Plant Updates

Town Manager Resale's report is attached for details.

Highlights -

Haven Harbour South are waiting for connection and tap.

Weekly hydrant flushing on East Sharp Street continues.

County Meter still working with the County on this situation. Readings are done every two weeks.

Water tower lights – there is no electricity to the top of the tower. It is recommended to replace with a solar panel light which cost around \$1,149.00 installed. They will turn on at night and turn off at daybreak.

Vice Mayor Andrews made a motion to approve the purchase of solar panel lights to replace the lights on the water tower. Seconded by Councilmember Edwards. All in favor. Motion carried.

Wastewater Treatment Plant

PS# 3 - is out for repair for a worn shaft.

ATF replacement parts delivered and installed on PS# 1 and PS# 7

Well Alarm - still waiting to hear back from McCrone.

Utilities Projects

ENR Grant – MDE has earmarked \$12,096,000 as the total cost of the ENR Upgrade project.

Water Meter Upgrade Project – Received certification from Critical Areas saying that the repairing and replacing of meter pits in critical area locations does not violate any Critical Area regulations.

Water Plant Filter Solution – Estimated cost \$20,000. This needs to be done as part of the larger Water Plant Upgrade project funded by USDA and other grants. Can't start the project until we get audited financial statements for FY2019 and related adjustments booked so that new USDA requirements for separate financials for water versus sewer operations can be met.

SERCAP Utility Rate Study - A conference call with Mayor Jacobs, Town Manger Resele, Clerk-Treasurer Loller, and Vicki and Jean from SERCAP will be set up to review SERCAP's data and recommendations within the next few weeks.

Kent County Water Service Agreement – Monitoring of meter at Blacksmith shop on Rt 20 continues. Still not to a point of reliability as a basis for payments by the County to the Town as per the original agreement.

2017 USDA Loan/Grant Finalization – Still waiting for McCrone's response to replacement of incorrect flow check valve in well. Once resolved the Town will be able to file for final reimbursement funding.

Next Utility Board Meeting will be held on Monday, February 3, 2020.

Adjournment

Councilmember Jones made a motion to adjourn the Utility Board Meeting. Councilmember Edwards seconded the motion. All in favor. Motion carried. Meeting adjourned at 6:35 p.m.

Respectfully Submitted:
Cheryl M. Butler
Approved by: Down Exacols
Dawn Jacobs, Mayor
Beth Andrews, Vice Mayor
Carolyn Jones, Councilmember
Timmy Edwards, Councilmember
Absent Fleanor Collver Councilmember

December 30, 2019 6:00 PM

Type of Meeting: Utility Board

Meeting Facilitator: Mayor Dawn Jacobs
